

Kids Under Construction

Mrs. Schwendenman

Oct. 2-6

Reading Language Arts

Story: "The Big Blue Ox"

Guiding Question: How do animals help people?

Amazing Words (vocab): *produce, transportation, danger, serve, enormous, powerful*

Phonics: short o, -ock words

Sight Words: blue, from, get help, little, use

Comprehension Skill: Review characters and setting; retelling a story

Writing & Grammar: Short stories (3 sentences with a beginning, middle, and end); plural words

Science

We will continue our astronomy unit, focusing on the solar system. We will learn about the objects in our solar system, and the order God used when he created the heavens and the earth.

Social Studies

We will continue our study of past and present for a few more weeks. We will be taking a field trip to Conner Prairie (tentatively Oct. 27) as a follow-up on this unit of study!

Math

This week, we will continue learning how to subtract to compare in word problems.

Bible

Our Bible focus this week will continue to be on Moses.

We will use the same verse as last week, as we are still on this lesson.

**Call on me when you are in trouble,
and I will rescue you,
and you will give me glory.**

Psalm 50:15

Notes from Mrs. S.:

*Every Friday through the rest of 2017 is a dress-down or dress-up day for \$1. This is a great way for us to get students involved in missions!

*Just a reminder that Parent/Teacher conferences will be on October 26! There will be no school for students that day.

*Tentative field trip to Conner Prairie on Friday, Oct. 27.

*Fall Break will be here before we know it! The dates are October 9-13.
