October 6, 2017

SCIENCE

Science Fair projects and packets should be finished over fall break. The completed packets are to be returned to school on Monday, October 16. We will begin typing the information from the packets to print and post on project boards when we return from fall break.

School Pictures

School pictures are Monday, October 16. Students may dress up for their pictures. This is NOT a dress down day. If a student chooses not to dress up s/he will need to wear school uniform on this day.

Information needed for the week of October 16 (spelling words, test info, etc.) will be sent home on Monday when we return from fall break.

Wishing everyone a relaxing
and happy Fall Break!
