Letters K and L

This week we reviewed the letters K and L. The children reviewed the sounds and worked on how to write them correctly on lined paper.

Bible Time

We opened our Bible time with the songs, Jesus Loves Me and Jesus Loves the Little Children each day and closed with the Lord's Prayer. Our lesson time was devoted to the study of some scripture verses. The group discussed what each verse meant and did a coloring or art project for each of the verses. Most of the artwork is on display in our hallway but one was sent home for you to look at in their Friday folders.

**Spring Break will be
