**PROGRAM INSTRUCTIONS FOR
PARENTS:**

All children need to arrive promptly at 6:15 pm. Families with children in the program should enter through the Life Center doors, near the gym and then go down the hallway toward the Sanctuary. Please keep your child's coat and a teacher will be at the stairway door in that hallway to gather the children and escort them downstairs to their classroom. Parents may then find their seats in the Sanctuary for the program.

All KP children should be wearing festive Christmas clothes for this program.

You will be blessed as the children sing and present their musical, “CHRISTMAS IS JESUS”.
