

More Fun and Learning than You can SHAKE a Stick At

Bible Verse: We all, like sheep, have gone astray,
each of us has turned to our own way; Isaiah 53:6a

My "baby" is headed off to college next Friday. I will be taking the day off to share in this exciting new chapter of her life. I hate missing a day so early in the school year as we are just now establishing routines. Therefore, I wanted to give you a heads up that things will be a little different that day for your little nuggets. Mrs. Sandy Pratt will be their substitute teacher. Students who attended kindergarten prep last year will be acquainted with her. She subbed for both Mrs. Rice and Mrs. Hadler last year and was the Friday lunchroom helper.

We are always interested in having volunteers. If you are interested in volunteering during school hours, please let me know, and I will pass that information to the office and they will find a place for you to serve.

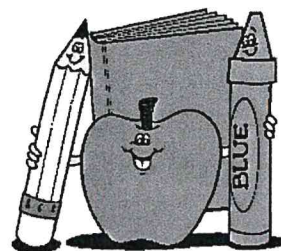

What's Happening Next Week:

BIBLE FOCUS: We will continue learn about Adam and Eve. Students will learn that God still loves us when we sin.

READING / PHONICS: Our new phonics curriculum is called *Phonics Dance*. Your child will be learning chants to help them remember the sound that each letter of the alphabet makes. We are also learning to write the letters of the alphabet.

We are learning to begin sentences with capital letters and end with a period.

MATH: We will learn about the number 4.

Snack Calendar:

Please bring a healthy snack to feed 12 students. There are lots of neat ideas on the internet.

August 14-Harper
August 15 -Heaven
August 16 - Luke
August 17- Maggie
August 18 - Noah

In the past parents have asked if they can bring treats for their child's birthday. YES! I will plan on putting you down for snacks that day. And yes, birthdays are the exception to the healthy snack guideline.
