

More Fun and Learning than You can SHAKE a Stick At

Bible Verse: "If you love me, keep my commands."
- John 14:15

It's another AMAZING child report! If an indoor playground comes to Greensburg, thank your child. They did an incredible job of representing the children of Decatur County. They had an opportunity to play first and were playing when the adults came in the building to hear the Playscape proposal. The students followed instructions perfectly and went from playing, active, loud children to sitting quietly against the wall in under 30 seconds. The visitors were amazed at their behavior.

Today the Smokehouse came to visit GSCA. Don't forget to remind your child of your family's specific fire escape plan.

Have a great Fall Break! I hope you are planning some special time with your children. It doesn't have to be long. It doesn't have to be expensive. TIME is the key. They grow up way too quick!! My husband and I are looking forward to a fun busy weekend with our girls. It's parent weekend at both Taylor University and Cedarville University.

A field trip to Conner Prairie is being planned for later in October. Yes, we will need chaperones!
