

## More Fun and Learning than You can SHAKE a Stick At

**Bible Verse:** He will call on me, and I will answer him; I will be with him in trouble, I will deliver him and honor him. Psalm 91:15

Can you believe the school year is almost over? At open house at the beginning of the year, I shared that we were both sending our "little ones" off to new adventures. You were sending your child off to kindergarten, and I was sending my "baby" off to college. Well, here we are at the end of the year. I'm sure we have both reflected on how much our children have grown and changed in the last ten months. It's amazing what a year of kindergarten or college will do!

As you prepare to graduate your child from kindergarten, I am with you again. Saturday morning my eldest will be graduating from college. My how time flies!!

Enjoy your summer with your child(ren) and marvel at the beauty and wonder of watching God mold them into His image.

### READING / PHONICS:

Continue to practice sight words at home.

We are learning to recognize that when two or more letters come together they sometimes make a different sound. When we see these letters we "hunk and chunk" them (highlight). We have learned 'sh', 'ch', 'ing', 'all', 'ar', 'or', 'oo' (as in moon), 'ew', 'oo' (as in hook), 'ow' (as in cow), 'th' and 'ay'. Next week we will learn 'eigh'.

**MATH:** Our focus will be on building patterns.
