

# Mrs. Youngblood's Early Preschool News

Good Shepherd Christian Academy

Week: **March 10-30**

## Learning Goals:

### Letter: U u

We are continuing to work on letters A-U and their sounds. We are also working on matching uppercase and lowercase letters, A-U, as well.

### Number: 11-20

Please help your child at home with numbers 11-20. These are hard for many of them. Flashcards from the Dollar Tree or homemade ones work great!

### Bible: The Good Samaritan

We will be learning that loving God and loving people are God's most important rules.
