A LINQ SOLUTION

Dear Parents,

Great News! Dealing with your children's school fee payments just got a lot easier. You can now pay for **school related fees** all securely **online** from your computer, tablet or smartphone!

You now can pay for school related fees like **snack fee, milk money, tuition, yearbooks, and spirit wear**. This reduces the chances of school fee payments getting lost or stolen. Plus, it saves you time from bringing payments into the school! You can schedule **recurring payments**, set up **notifications**, and fee payments for all the students in your family all at the same time. It will also save your **payment history** so you can refer back at any time. You will have access to your child's account 24 hours a day, 7 days a week.
